

I will ask 50 people to 'un-subscribe' to renditions and other human rights abuses in the 'war on terror' but only if 100 other people will unsubscribe themselves and ask at least one person to do so.

— Lelia Stephens, (concerned 14 year old)

More details: I am horrified by the complicity, or active involvement, of the UK government in torture, invasion of Middle Eastern countries, renditions, detention without trial, Guantanamo Bay and the erosion of human rights in the name of the 'war on terror'. The government assumes we support such actions. It is important to let them know how many of us don't, so add your name to the growing list on www.unsubscribe-me.org - and ask someone else to do so.
