

I will vote Conservative at the next general election but only if **50,000 other people will do the same, and **ONLY** if Boris Johnson is named leader of said party.**

– Steve Guntrip, Boris-craving-student

More details: Boris Johnson is, without a doubt, the most exciting person in UK politics (see for yourself: <http://www.boris-johnson.com/>), by signing this pledge you agree to vote Conservative at the next General Election (on or before 3rd June, 2010) only if, not only 50,000 other people do the same, but also (and more importantly) if Boris is made leader of the Conservative Party (at anytime up until said date, I doubt either David will last all five years).

I, personally, am not a fan of this party. I would never dream of voting Tory unless such, quite frankly, awesome circumstances did occur. If there was a chance of this man leading our country, I would not be concerned by policies and snooty people, because we would instantly become the best country in the WORLD. This is a UK with Boris Johnson as leader.

Please join me, and let's make this dream come true.
